SECRETARY OF THE SENATE  
NOV - 1 PH 1:26

United States Senate  
Office of Public Records  
Attn: Dana McCallum, Superintendent  
232 Hart Senate Office Building  
Washington DC 20510

Dear Ms. McCallum,

Re: Toomey for Senate Committee, C00461046, 48 Hour Notices

In reviewing recent 48 hour notices filed by the Toomey for Senate Committee, I have found two errors which I would like to bring to your attention. Since there is no mechanism to 'amend' a 48-hour notice, our FEC analyst suggested I send a letter directly to you.

The first error is in the batch of notices filed on October 14<sup>th</sup>. The contributor name is incorrectly spelled as Timothy **Gould** - it should be Timothy **Goodell**. His contribution was \$2400.

The second error is in the batch of notices filed on October 18<sup>th</sup>. The contributor name is Kyle Robinson and he is listed twice in error. He appears on the notices with a \$2400 and a \$1000 contribution. The correct amount of his contribution is \$1000.

Please contact me with any questions or concerns about this letter. I can be reached at 484-809-7994 or by email at [sue@toomeyforsenate.com](mailto:sue@toomeyforsenate.com)

Sincerely,

  
Susan Zimskind

Assistant Campaign Treasurer
